# IRC2019

## Innovations in Elastomeric Materials & Products

**This conference will be a must attend event to learn about technical advances in the global rubber market**

The year 2019 will commemorate the 200<sup>th</sup> anniversary of Thomas Hancock's pioneering work with natural rubber in London. IRC 2019 will present a full and varied technical programme of original papers reflecting current research and technology within the rubber industry.

10–12 September 2019

Kia Oval, London
